

Mattermost verbinden

Um den Schulchat Mattermost zu verbinden, muss lediglich eine Bezeichnung und die Serveradresse eingegeben:

The screenshot shows the Mattermost Desktop App interface. At the top, the title bar reads "Mattermost Desktop App" with standard window controls. Below the title bar, there is a navigation bar with a hamburger menu icon, a "QGM" dropdown menu, and a "Channels" button. The main content area features the text "schule.social" in a large, bold font. Below this, a subtitle reads "Die gesamte Teamkommunikation an einem Ort, durchsuchbar und überall verfügbar". There are two input fields: the first is labeled "E-Mail oder Benutzername" with a red annotation "Mattermost Benutzername oder Mailadresse"; the second is labeled "Passwort" with a red annotation "Mattermost Passwort". A blue "Anmelden" button is positioned below the password field, with a red circle and the number "2" next to it. Below the button, there are two links: "Sie haben keinen Zugang? Jetzt neuen Erstellen." and "Ich habe mein Passwort vergessen."
